WARREN COUNTY LIBRARY MUSEUM PASSES POLICY

MUSEUM PASSES POLICY

The Warren County Library offers a Museum Pass Program as an additional outlet through which the Library can build on its mission to serve as a center of education, information and culture by providing members with the opportunity to obtain free access to select museums.

Borrowers must be 18 or older, with a valid Warren County Library card with no outstanding charges.

The member who reserved the library pass must be present at the museum visit and may be required to show their library card or ID at the museum. Members may reserve **two passes** per day **and ten passes per calendar year**. Passes can be booked 30 days in advance and cannot be canceled once reserved.

The museum establishes the rules and regulations for the use of its pass and may not include admission to all exhibits. The Library will not provide additional funds beyond the issuance of the family museum pass.

Borrowers should verify the museum's hours of operation and have a backup plan in case the museum is unexpectedly closed.

The Library assumes no responsibility arising from the reservation or use of museum passes or parking accommodations.
